

BlueOrchard[®]

Microfinance Investment Managers

BlueOrchard Investments S.à.r.l. – 32 rue de Malatrex – 1201 Geneva – Switzerland

Investment Analyst Latin America – Private Equity in Microfinance

BlueOrchard Investments is the Private Equity arm of BlueOrchard, a commercial asset management group specialized in Microfinance. A pioneer and global leader in this field, BlueOrchard manages close to \$1 billion of assets with investments spanning over 40 emerging markets and 150 Microfinance organizations.

The first BlueOrchard Private Equity Fund managed by BlueOrchard Investments has attracted around \$200 million, making it already the largest commercial Private Equity Fund of the industry.

In order to support our expansion, we are currently looking for an Investment Analyst to join our small team of highly qualified professionals and to specialize on our Latin American portfolio. Location would be Bogota, with frequent trips both to headquarters in Geneva and the rest of Latin America.

Main tasks and responsibilities

Client relationship management and Transaction:

- Monitor existing MFI partners: monthly analytical review and follow-up
- Support team to collect and analyze MFIs' documentation and financial information
- Support team to draft sections of investment proposals and generally assist team in executing investment transactions
- Perform financial and valuation analyses for new investments, recapitalization of existing portfolio companies and portfolio ongoing monitoring

Research analysis:

- Research on different sectors, industry structure, actors, strategic alliances and target opportunities
- Research and update information on the regulatory and competitive environment of countries and sectors

Investor reporting:

- Support reporting process to portfolio manager and investors

Administrative:

- Organize and maintain electronic and physical client and fund files and update all relevant documentation

BlueOrchard®
